

# Redwood Meadows Emergency Services Charity Golf Classic

Redwood Meadows Golf Club

**September 24, 2026**

# Message from the Tournament Chair

The inaugural RMES Charity Golf Classic brings together community leaders, businesses, and supporters to raise critical funds for #RebuildRMES, the initiative restoring and modernizing emergency services infrastructure after a devastating fire in December 2025 destroyed the back hall, four firetrucks, equipment, training centre and staff gym, leaving the Townsite of Redwood Meadows and Redwood Meadows Emergency Services (RMES) with a \$1.5 million insurance shortfall to replace items lost in the fire.

---

*"#RebuildRMES is about more than replacing equipment — it's about strengthening the safety and future of our entire region. This tournament gives our community a powerful way to come together, have fun, and make a meaningful impact."*  
– RMES Fire Chief Rob Evans

---

Redwood Meadows Emergency Services is a fully volunteer-driven emergency service, serving Redwood Meadows and the greater Bragg Creek area (including the Kananaskis) for almost 50-years. Serving a response area of almost 1,000 square kilometres, annually Redwood Meadows Emergency Services members deliver medical, fire suppression, motor vehicle and back country rescue services to over 450 calls for service, in addition to training 50 nights a year and supporting community events.

Proceeds from the RMES Charity Golf Classic directly support equipment replacement and rebuilding essential facilities that keep Redwood Meadows and the Greater Bragg Creek Area safe. The RMES Charity Golf Classic will leverage the amazing volunteer spirit in the Redwood Meadows community and existing townsite resources to facilitate the tournament.

Join us for a great day of golf on the beautiful Redwood Meadows Golf Course and support a great cause.

Gord Tate  
Tournament Chair
